INTRODUCTION AND ACKNOWLEDGEMENTS

The Obituaries listed within does not include all deaths in the Kern River Valley, only those published in the 'Kern Valley Sun' newspaper. The first year available and copied was 1969 and this is a continuing project.

The gathering of Obituaries in book form was compiled throught the efforts of the Clan Diggers Genealogical Society of the Kern River Valley, with the permission of the publishers of the 'Kern Valley Sun' newspaper. We would like to express our appreciation to these publishers for their cooperation, without which we could never have started this project.

It is our hope that this gathering of Obituaries will simplify the search for information on the relatives or friends that have gone before us and will further the interest in Genealogy.

The SURNAME INDEX includes only the name of the person deceased and does not include other persons that may be mentioned in the obituaries.
